## Third in the Icons of Arran series: The Westie

Please meet Ruaraidh (pronounced Roo-ree) the West Highland Terrier belonging to our Distillery Manager James MacTaggart. Ruaraidh is independent of character with a mischievous glint in his eye and is much admired by visitors to our Distillery in Lochranza. This limited edition bottling was drawn from 22 ex-Sherry Hogsheads distilled in 1998 and specially selected by James MacTaggart under the careful supervision of Ruaraidh. After 12 years of maturation this expression of Arran is rich & warming with a delightful complexity.

Limited Edition of 6,000 bottles worldwide  
Ex-Olorosso Sherry Hogsheads  
Bottled at 46% abv

### Tasting Notes

Nose: A fresh aroma with notes of toasted oak, treacle toffee & orange zest.

Palate: Full-bodied and buttery with an initial rush of vanilla essence and Demerara sugar. The sweet character subsides leaving cocoa powder and cardamom seeds.

Finish: Malty & smooth with voluptuous spice.
